NORDIC E-INFRASTRUCTURE COLLABORATION

CERTIFICATE

This is to certify that

Niklas Forsström

has participated in the CodeRefinery workshop organized by the Nordic e-Infrastructure Collaboration (NeIC) and held at Chalmers University of Technology, Gothenburg, on May 21-23, 2019.

Course website: https://coderefinery.org/workshops/2019-05-21-gothenburg/

This workshop was a three-day event (9:00 to 17:00) with presentations and practical exercises. The course contained the following modules:

- Introduction to version control
- Collaborative distributed version control
- Automated testing
- Social coding and open software

- Documentation
- Modular code development
- Reproducible research
- JupyterLab
